

ELECTRIC DISTRIBUTION BOARD AND METER POSITION

Property: 87D Wellington Road, Fallowfield, Manchester M14 6BN

The position of your Electric Distribution Board (i.e. fusebox/consumer unit) is **inside the cupboard near the front door** and meter is **outside of the property near the front door inside the white plastic housing**.

If one of your circuit breakers trips:

- a) switch off the main electric isolator switch
- b) switch your circuit breaker back up
- c) turn the main electric isolator switch back on

If your circuit breaker trips again, then LEAVE IT and phone the landlord.

IF YOU ARE UNSURE ABOUT ANYTHING THEN LEAVE IT!
